

Weddings

Eddy's of Canowindra provides a beautiful setting for intimate weddings and celebrations. The building is full of old world charm and is surrounded by large lawns, perfect for an outdoor wedding.

There are plenty of options for the ceremony - and for those wanting a church wedding, there is a beautiful Catholic church immediately next door.

We can arrange catering, decorations, photographers, bar service and more - as little or as much as you need us to do. We have a large commercial kitchen & open or enclosed deck area, expansive wrap around verandahs and an indoor dining room.

Guests can stay on-site, with 10 rooms - 4 with ensuites and disabled facilities. We can accommodate up to 32 people.

Call or come and see us today to explore your options!
